## Ain't No Germs On Me

There ain't no germs on me,  
There ain't no germs on me,  
I wash my face and keep it clean  
There ain't no germs on me  
There ain't no germs on me,  
There ain't no germs on me,  
I use soap to wash my hands,  
There ain't no germs on me

***Variations:  
(and make up your own)***

I wear clean clothes every day  
I keep my eyes free from muck  
I wash my hands after using the loo  
I blow the snot from my nose  
I put my tissue in the bin  
I brush my teeth after I eat  
I wash my body once a day
