## Brush Your Teeth

Brush, brush, brush your teeth  
Gently all around  
Twice a day, Twice a day  
No holes to be found

Brush, brush, brush your teeth  
With some nice toothpaste  
Pea size, pea size,  
Or it is a waste

Brush, brush, brush your teeth  
A circle and a flick  
Scrubbing, scrubbing,  
That'll do the trick

Brush, brush, brush your teeth  
Then you brush your tongue  
Spitting, Spitting,  
No rinsing is done

Brush, brush, brush your teeth  
Get rid of the grime  
Cleaning, cleaning,  
Try and find the time
